

Plea for Dr Ahmadreza Djalali

His Excellency
Ayatollah Sadegh Larijani
Tehran, Iran

Stockholm December 2018

Your Excellency,

We the undersigned to this petition have gathered in Stockholm, Sweden, to celebrate the will of Alfred Nobel to endow "prizes to those who, during the preceding year, have conferred the greatest benefit to humankind".

We take this opportunity to express our profound concern about the detention and subsequent sentencing to death of the very dedicated disaster medicine scholar Dr Ahmadreza Djalali.

We respectfully call on the authorities to urgently quash the death sentence, drop all charges against Dr Djalali and immediately release him so that he can return to his wife and children in Stockholm, and continue his scholarly work for the benefit to mankind.
